

Literacy

By Sienna Mulgrew

In term one in Literacy we have been learning many things. In writing we have been learning to write Narratives and stories. Also in writing we have learnt in our stories to describe our words using the 5 senses. At the start of our sentences we use onomatopoeia to Hook our readers. Adding words like: **Bang! Crash! Boom!** In writing we are Writing sentences with our spelling words using For And Nor But Or Yet So that means FANBOYS. this helps us make longer more interesting sentences.

In reading we have been reading some books about the First Fleet to help with our History lessons.

In spelling we are learning about prefixes an example would be **re** in **rewind** which means do again. We are also learning about suffixes an example is like **ment** in **excitement**, which means a resulting state. We are also practicing our Syllables with our spelling words. Ex/cite/ment has 3 syllables in it.

Sometimes we practice cursive writing in class with words like: *sit, stool, cool, love, awesome.*

Sometimes in class we do boggle this is how you play boggle
You have to write as many words as you can like this:

A S E D G G U
E K S T I W T Y
S R T I N A E C
T J K F L A V B

Ace Sit String Stinky

State Tan Pan Paint Tin Bling As

Boggle help us recognise letter phonemes and graphemes and apply them to other words.
