

Modelled/Shared Reading

Interactive whole class reading session initiated by the teacher

Centres the student on the task of reading, recalling previously taught strategies or ideas

Small Group/Independent Reading

A reading strategy is focused on whilst the students work in small groups

The teacher monitors students' reading

Reflection

Students articulate the learning that has taken place

Small Group/Independent Writing

Students engage in a writing task related to what has happened in the Modelled/Shared Writing Session

The teacher works with \
the students on a sommon identified need

Literacy Dedicated Time

Guided Reading

Students are group according to reading levels

Teacher focus on a particular teaching point

Modelled/Shared Writing

Centres students on the task of writing

Each day, an aspect of writing is introduced or discussed as a text is constructed

Word Work

Teacher initiated whole class and/or small groups

Focus is on highlighting how words work rather than how a word is spelt

Independent Reading

Students work in small groups or independently

Students working with a book matched to their reading level
