

St Mary's School

Faith - Respect - Challenge - Teamwork

From Mr Love...

Dear Community Members,

Here we are at the back end of Week Three. The first three weeks have flown by, and the students have certainly had a jam-packed curriculum. Swimming Lessons have concluded, formative assessments have been undertaken by our classroom teachers to assist in targeted teaching and learning, the school community gathered as whole in Week Two and a Student Leadership Day was held in Geraldton today, just to name a few.

Season of Lent

Next week, we enter into the season of Lent with a Eucharistic celebration on Ash Wednesday, February 22, at 11.30am in the Undercover Area. Lent is a time of fasting and almsgiving. While these two concepts can often be difficult for our students to comprehend, it may help to remind them that Lent is a time when we think of others, particularly the poor.

Each year, Project Compassion runs during the six weeks of Lent. St Mary's School will invite families to help raise funds and stand in solidarity with the millions of people across the world with whom work for all future generations.

A Project Compassion mission box will go home with the eldest child next week.

Parent Information Night and ACM

It was so great to have our school open for our annual Parent Information Evening and School Advisory Council/P&F ACMs last week. I am very happy to report that we have full membership in our 2023 School Advisory Council and all roles have been filled in our P&F Executive for 2023. The roles of the P&F Committee have been set and the roles for the Advisory Council will be finalised at our first meeting in March.

I would like to thank and congratulate all members of these committees and I look forward to working with each of you this year as we continue the great work at St Mary's.

Uniforms and Jewellery

Now that we have worked our way into the term, just a reminder about a few aspects of our uniform. It is important that students stick to appropriate uniform on appropriate days. We do have the option of all black running shoes which many families have taken up. Please ensure these shoes are completely black, to fit in line with the uniform and the correct colour socks and ankle height are worn.

I have also noticed several students wearing different types of jewellery to school. Whilst I appreciate that some items may have sentimental value, to ensure the safety of the students and stop issues around loss or damage of items, the only jewellery allowed at school are the following:

Keeping Safe Curriculum 2023

Throughout the year, students will be engaging with the Keeping Safe: Child Protection Curriculum. The teachers delivering the program have received explicit training in the Curriculum. Although parent permission is not required under the Education Act (1972), we encourage parents/carers to seek further clarification if required and to provide the school with any relevant information about their child that could alleviate any concerns.

This year, students will be covering topics such as: Recognising Feelings, Being Safe, Recognising Warning Signs, Risk Taking and Emergencies, correct anatomical names for genitalia, appropriate and inappropriate touch, safety networks. These are examples of and not limited to the concepts covered.

Early Years Learning Framework - EYLF

The Early Years Learning Framework ensures your child receives quality education programs in their early years at St Mary's School. This is a vital time for them to learn and develop. The Framework's vision is for all children to experience play-based learning that is engaging and builds success for life. It is a guide for early childhood educators who work with children from birth to five years. They will use the Framework in partnership with families, children's first and most influential educators, to develop learning programs responsive to children's ideas, interests, strengths and abilities, and recognise that children learn through their play. The Early Years Learning Framework describes childhood as a time of *belonging, being and becoming*.

Belonging is the basis for living a fulfilling life. Children feel they belong because of the relationships they have with their family, community, culture and place.

Being is about living here and now. Childhood is a special time in life and children need time to just 'be' - time to play, try new things and have fun.

Becoming is about the learning and development that young children experience. Children start to form their sense of identity from an early age, which shapes the type of adult they will become.

Code of Conduct

The St Mary's School Code of Conduct is to describe minimum standards of conduct in all behaviour and decision making to ensure the safety and wellbeing of students. The Code applies to staff, students, volunteers, parents/carers and guardians as applicable. A full copy of the St Mary's school Code of Conduct can be found on the School Website:

<https://www.smsn.wa.edu.au/codeofconduct/>

Fruit of the Spirit

This week, we once again focus on the Fruit of Love. Scripture of the week:

'Whoever lives in love lives in God, and God in them.'

1 John: 4-16

St John the Evangelist, wrote, '*God is Love*' (1 John: 4-8). St John is calling each of us to live in communion with each other, just as God lives in communion with us. God's love is very different from human love. God's love is unconditional, and it's not based on feelings or emotions. He doesn't love us because we're lovable or because we make Him feel good; He loves us because He is love.

Good News Story

This week's good news story is to recognize the Year 5/6 boys who willingly assisted the Pre-Primary boys in all facets of Swimming Lessons. These boys undertook many responsibilities to ensure the smooth transition on and off the bus.

Take care,

Brett

PARISH NEWS

Seventh Sunday in Ordinary Time – Year A

The word “holy” can conjure up the image of someone who is always praying and, perhaps, cut off from everyday realities. Today's readings, however, remind us that holiness is not measured by the calluses on our knees but by our love for others. Most essentially, holiness is God's gift. We are a holy people because God loves us and dwells among us making us the temple of God.

Today is Compassion Sunday

Please take home a Project Compassion box or a set of donation envelopes to support Caritas Australia this Lenten season and help support vulnerable people around the world, now and **For All Future Generations**. With

your support, Caritas Australia has been able to support vulnerable communities around the world to tackle poverty, food security, education, water and sanitation and disaster risk reduction to build a better future for all. Together, we can help vulnerable communities face their challenges today and build a better tomorrow **For All Future Generations**. You can donate through Project Compassion donation boxes and envelopes available from your parish, by visiting caritas.org.au/project-compassion, or by calling 1800 024 413.

Project Compassion 2023 Prayer and Pope Francis' Quotes

God of all generations, we thank you for those who have gone before us, especially those who have cared for your earth and who inspire us to help respect your creation and contribute to its healing. We thank you for those with whom we share our lives today, especially those who work for justice and peace. May we welcome the opportunity that Lent brings to walk more closely with you, especially through fasting, almsgiving and prayer. We thank you for the challenge of the future. May the cross of Jesus remind us that only love finds the way forward. As we work with big hearts, may we join with Mary in her hope that from now on all generations will experience the great things you will do through us. We ask this in Jesus' name. Amen.

Pope Francis' Quotes: "Let us pray for peace: peace in the world and in each of our hearts." and, "God's love calls us to move beyond fear. We ask God for the courage to put on faith, hope and love as we go out into the world and become the word in body as well as spirit."

Ash Wednesday School Mass will be held at St Mary's School on Wednesday, February 22nd at 11:30am. Everyone welcome.

Our Aged and Sick; Pray for Fr. Robert O'Bryan, Fr. Brian Ahern, Fr. Larry Rodillas, Win & Ray Bowman, Kevin Beckmann, Nell Cripps, Col Constantine, Jean Williams, Paul Leeson, Jo Mattens, Betty Thompson and all the residents of Brookview

Our Dead; Please remember in your prayers the soul of Biddy Maver whose anniversary occurs next Saturday.
